# WHEN IS THE SODADA EVENT?

The event will start at 7pm

# WHAT WILL HAPPEN AT THE SODADA EVENT?

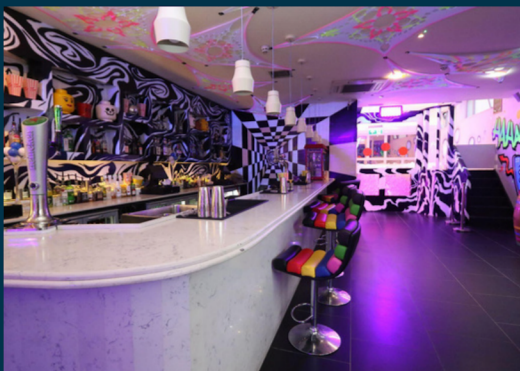

SoDaDa is an event with music, art and live performances. You will be able to join in some performances if you want to. There will be an Open Mic section too.

If you have any problems or questions on the night, you can ask anyone in a yellow sweatshirt. They are here to help!

There are three rooms that you can go in and out of whenever you like.

## Bar Room

In the bar room there is a bar where you can buy drinks. You will be able to sit in seats wherever you like.

## Main Space

In the main space, you can watch the live performances and there are some seats if you would like to sit down.

## Chill Out Room

To the back of the building is a third room called the chill-out space. There are two flights of steps to get into this room. Please let someone in a yellow sweatshirt know if you need a step free route into the chill-out space.

The chill-out space will be much quieter. If you need a break from whatever you're doing you can go to the chill-out space. You will be able to sit wherever you like. Ear defenders will be available in the chill-out space if you require them at any point.

## Music

**Luminous Starchild** is an electronic music producer. You can listen to them in the bar room and the main space. There is plenty of room for dancing in the main space and you can dance whenever you like.

## Theatre

**DISCO DISCO** is a theatre group who will be doing short performances in the main space. They will play games and might ask the audience to join in. You might be able to get involved if you would like to.

## Dance

**SLIDE** is a dance group who will be doing short dances in the main space. They will be performing a dance a bit like the game Twister. They will ask the audience to hold up cards with coloured dots.

## WHEN WILL THE EVENT FINISH?
