Who is Club Soda?

Club Soda is a disability-led charity in Croydon providing creative, music and media opportunities for people with learning disabilities.

Our advisory board, **the AdFizzory Group**, is made up of adults with learning disabilities from different areas of our charity who help make creative decisions about how we run.

We are a charity for **Creatives, Campaigners & Gig Goers!**

What we do:

- Weekly **workshops** in music making, DJing and media. We mentor artists who produce original music, deliver inclusive live events and perform across London.
- Our **Gig Buddies Croydon** project matches adults with learning disabilities to volunteers with similar interests so they can enjoy the things they love together.
- Our **Leisure Link Project** is a group for people with learning disabilities who meet once a month to produce a monthly magazine about inclusive and accessible events in Croydon, review venues & events and produce a popular podcast.

We have a rebellious spirit and want to shake up our local community for the better. *Everyone has the right to enjoy a social life, be the last on the dance floor or be the DJ!*

Leisure Link:

Leisure Link is a group of people with learning disabilities and supporters who meet once a month to talk about arts and leisure: things they have done and things they are looking forward to.

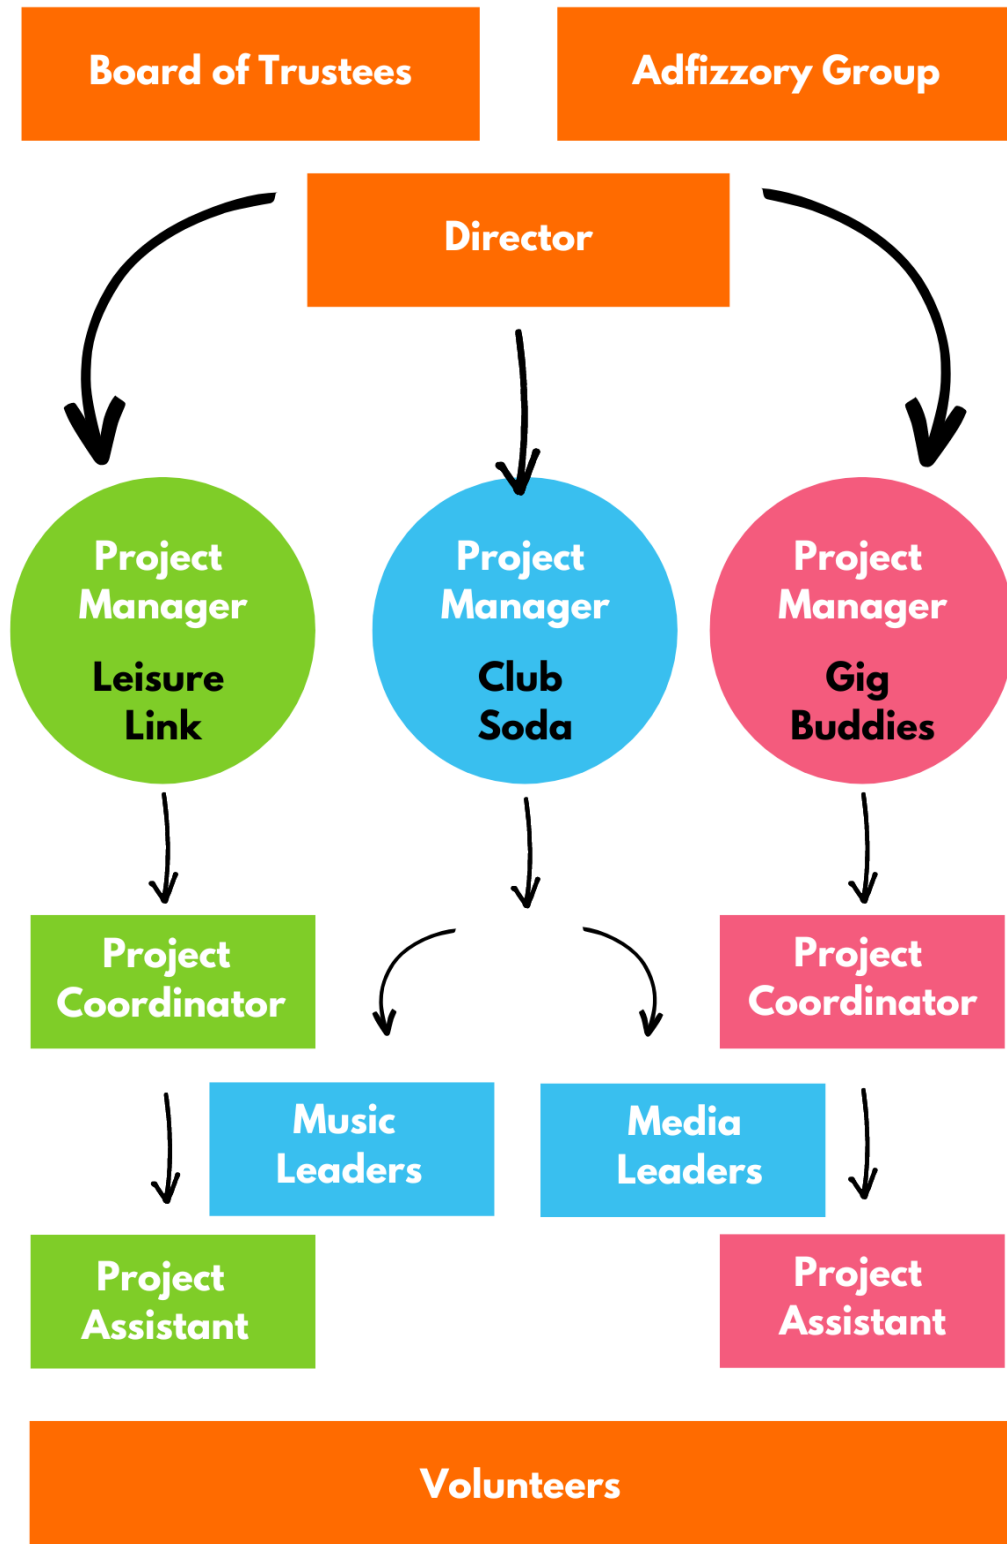

Leisure Link Magazine is co-produced by the Leisure Link group. The magazine:

- Shares reviews, top tips and recommendations for events, services and venues in Croydon.
- Contains a list of useful art and leisure services in Croydon for people with learning disabilities.
- Celebrates and promotes inclusive events and activities across Croydon.
- Features a fun map of Croydon showing popular local venues that are highly recommended by members.
- Provides useful access information for all venues and events that we list.

It is important for us that everything we feature is 'accessible' and 'inclusive' and we do our best to ensure someone from Leisure Link had a positive experience before we feature anything.
